GROWTH IN VOLUMES

OUR CORE VALUES

RANJANA – OVERVIEW

- ✘ Established in 2010, RMC is engaged in the manufacturing & trading of talcum powder, used in Cosmetics, Toiletries, Aerosols & home care products. We have successfully built up a strong network across India, to market our services and products, through a professional core sales and marketing team. Having established ourselves in India, we are now in the process of venturing into International markets.
- ✘ Presently, we have a market share of roughly 20% in India and are determined to double this in the coming five years.
- ✘ The driving force at RMC, is to understand Consumer needs in a fiercely competitive market and ensure we drive our business forward using this very Consumer centric approach through improved technology and product innovation.
- ✘ Since our inception, we have remained committed to meeting and exceeding our clients' expectations with quality assured yet cost effective products and services, on-time deliveries and integrity
- ✘ Over the years, we have grown to meet the new challenges of an ever changing market through product development, intensive research and continuous process improvement
- ✘ Adhering to rigorous procedures and standards, our state-of-the-art production facilities & highly skilled personnel, have helped us maintain our consistency in providing quality products and services.
- ✘ Our laboratories are well equipped. Powder properties are measured regularly depending upon the parameters required by our customers.
- ✘ A competent team of R&D personnel can understand customer needs and hence, recommend the right product tailor made to their requirements.
